

Smoke-Free Procedure

1 Purpose

To ensure the University is a healthy, smoke-free work and study environment.

2 Scope

This procedure applies to University Members, Students and Visitors on a University campus, property or in a University vehicle.

3 Procedure Overview

This procedure details that it is not permissible to smoke on any University campus, property or in a University vehicle.

4 Procedures

4.1 Smoke-free environment

Smoking is not permitted anywhere on University property including all campuses, owned or leased premises, land or vehicles, research facilities, carparks, sporting facilities and ovals and undercover areas.

Dedicated campus maps show the location boundaries of University property for this purpose.

The University will ensure that appropriate entrances to University campuses are adequately signed with Information about the University's smoke-free status. Other mechanisms will also be used to raise awareness including printed material, pre-commencement Information for new Students and Employees, and Information via orientation and induction programs and at relevant University events.

4.2 Support

The University will provide Employees and Students with access to appropriate Information, support and resources to reduce or [quit Smoking](#).

4.3 Compliance

All University Members, Students and Visitors to the University are responsible for contributing

to a supportive and respectful culture and maintaining a smoke-free environment through compliance with the requirements of this procedure.

Any University Member, Student or Visitor found to be Smoking on University property should be reminded of the smoke-free initiative, requested to stop Smoking and to relocate to an area outside University property if they wish to continue Smoking.

The University recognises that University Members, Students and Visitors have a personal choice to smoke. The University also recognises the rights of those who do not smoke to work and study in an environment free from smoke and has a responsibility to protect University Members, Students and Visitors from as many avoidable health risks as possible. When moving off campus to smoke, smokers must consider their own personal safety and are strongly encouraged to choose an area that is not remote, is safe and is well-lit at night.

The University is committed to providing support for Employees and Students who wish to stop Smoking. However, a persistent failure to comply with relevant policies and procedures may result in disciplinary action or penalty. Failure to comply will be managed and dealt with under the provisions of the relevant University Policy, Procedure or contract as applicable.
