

Student Communication Procedure

1 Purpose

To establish procedures to support the Student Communication Policy.

2 Scope

This procedure applies to all official communications with Students by Employees, including both past and future Students.

Exclusions

Procedures for Student communication to the University and with other Students should be undertaken in accordance with the Acceptable Use of ICT Resources Policy, the Principles of Academic Employee Contactability and Availability Procedure and the Student Expectations and Responsibilities Policy.

3 Procedure Overview

The University recognises that communicating effectively is an integral component of the Student experience at the University.

The University communicates via multiple channels. All messages must be consistent and in alignment with this omni-channel approach.

All Student communications must be approved by the Deputy Academic Registrar and Director (Student Administration) or nominee, except in emergent situations as directed by the Vice-Chancellor or University Council.

4 Communication messages

Notices will only be sent in those circumstances deemed important to the Student experience at the University.

4.1 Email

Email is a primary channel of communication for the delivery of Notices.

The University will send Notices to University-issued email addresses as the primary email address once a Student has enrolled and until the completion of their program.

Employees must use their University-issued email account when communicating with Students and are to send or record communications via the Customer Relationship Management (CRM), or the Alumni CRM systems, where applicable.

Employees using their University-issued email account should use the University standard email signature in accordance with the email signature guidelines provided in the Brand Toolkit.

Students who represent the University in an elected capacity must send communications via their Student representative University-issued email account when the message is relevant to their role.

Mass email communication must be sent through the CRM and in order to preserve the channel's value, will be restricted to:

- important administrative and academic matters including application, Enrolment, results, financial standing, graduation;
- information to assist with the retention of Students;
- the engagement of Applicants for Admission to the University and their influencers;
- information about significant University processes and key events on the University academic calendar;
- statements on important or strategic matters by senior executives of the University; and
- outreach and engagement of University Alumni.

Requests to send mass email communications are to be submitted via ServiceHub.

4.2 UniSQStudyDesk

The University will use UniSQ *StudyDesk* for communication related to the learning and teaching of a Course or program in which the Student is enrolled. This is the responsibility of the Course Coordinator and Moderator.

Exclusions

The University will use the UniSQ UpSkill Platform for communication related to learning and teaching of a UniSQ UpSkill Course in which the Student is enrolled. This is the responsibility of the Course Coordinator and Moderator.

4.3 Student portal

The University will use the Student portal to disseminate broadcast communication of Notices,

including general information, opportunities and events. Notices will not be directly related to the learning and teaching of a Course or program.

Announcements may be posted for a specific cohort and/or community of Students.

Requests for UConnect announcements should be submitted via ServiceHub.

4.4 Mail

The use of hard copy correspondence is normally limited to where:

- legislation or policy require Students to receive a Notice by hard copy mail;
- Students do not, or are not required to, have access to online facilities; and/or
- information or material is required by Students who are not required to have access to the University's online services; e.g. those Students who have deferred their studies and are not using their University-issued email account.

4.5 Corporate UniSQ Website and affiliated websites

The University will remove any webpage developed for the University website if it is considered to be detrimental to the brand and reputation of the University.

All content published on the University website must adhere to the University's Acceptable Use of ICT Resources Policy.

4.6 Print material

All print material must adhere to the guidelines provided in the Brand Toolkit.

Print material must be consistent with, and support, online and digital communication.

4.7 Knowledge database/FAQs

Ask UniSQ is a knowledgebase which provides concise answers to frequently asked questions.

Notices in the knowledge database must support, reference and reinforce content disseminated through other channels.

Area content editors are responsible for the publication of Notices. Further information can be found in the Brand Toolkit.

4.8 Social media

Social media is used by the University to foster online communities with Students. It aims to develop relationships, as well as engage and support Students.

Requests for social media services should be submitted via email to social.media@usq.edu.au.

4.9 Messaging applications

Communication via messaging applications must be undertaken using the University's CRM system to ensure that all conversations are recorded in the Students' profile and are in accordance with the University's Record Management Governance Policy and Procedure.

4.10 SMS

The University will use SMS communication with Students in the following circumstances:

- in crisis situations;
- cancellations and room changes;
- Final Grade releases; and
- where the Student has given express consent.

The University recognises that not all Students have access to receive SMS communications.

Requests for SMS communications to Students must be submitted via ServiceHub.

4.11 Push notifications

Push notifications are restricted to communicating timely information and are to be used sparingly to reinforce messages communicated through other channels.

The University recognises that not all Students have access to receive push notification communications.

Requests for push notification communications to Students must be submitted via ServiceHub.

4.12 Crisis Communication

In the event of a crisis, the Crisis Management Team will be responsible for coordinating communication with Students in accordance with the University's Business Continuity and Crisis

and Emergency Plan.

5 Interpersonal Communication

All interpersonal communication is to be reflective of the University's values and brand and in accordance with the University's Code of Conduct Policy.
