

# Contract Owner

University of  
Southern  
Queensland

## 1 Definition

Employee who has been identified by the Contract Delegate as having a responsibility to approve the referral of University Contracts to Specialist Advisors and identify members of Contract Management Teams within their business unit. They are responsible for the outcomes of the contract and usually fulfil the first escalation role. In the case of a contract having multiple Contract Managers, the Contract Owner will also assume responsibility for coordinating the activities of these individuals.
