## 4 Procedures

Students seeking entry to HDR programs must satisfy the Admissions requirements outlined in Section 4.1 of this procedure and the Higher Degree by Research Student Scholarship Procedure, as well as the specific entry requirements for each program. Offers of Admission are approved by the Dean (Graduate Research School), after considering the recommendation of the School or Research Centre.

A Student may only enrol in HDR Courses at the University following receipt and acceptance of an offer of Admission to an HDR program.

### 4.1 Admissions

#### 4.1.1 Admissions requirements

1. Admission to the programs will be determined on the basis of Academic Merit, specific program requirements and perceived probability of success. Applicants are considered on the basis of entry requirements and the ability of the University to provide an appropriate supervisor, resources for the Research and minimum levels of support, as specified in the Higher Degree by Research Supervision Procedure.
2. Where demand for a program exceeds the available number of places, Admission to the program may be denied, despite the Applicant meeting the minimum entry requirements.
3. Applicants are required to submit their application, in accordance with the instructions provided on the University's website, by the advertised program closing date.
4. Domestic and International Admissions will accept legible electronic copies of supporting documents provided by the Applicant. Where the original supporting documents are not in English, a certified translation must accompany the submitted documents. Where more Information is required, further supporting documents may be requested by the University. The University reserves the right to request original copies of documents.
5. International Students wishing to study in Australia on a Student Visa must meet and satisfy eligibility requirements in accordance with the Australian Government assessment criteria.
6. International Students who do not arrive to commence their program by the start date specified in the letter of offer may have their Admission to the program cancelled.
7. The University reserves the right to cancel the offer of Admission to Students who provide false, fraudulent, incomplete or misleading Information.
8. Unless approved by the Dean (Graduate Research School), an Applicant cannot be admitted to an HDR program at the University while simultaneously admitted to any other higher degree, Bachelor (including Honours) degree or Sub-Bachelor degrees at the University or any other institution.
9. By recommending an offer of admission to be made to an Applicant for an HDR program, the Head of School, College, Institute or Centre confirms that:
  - a. it has appropriate discipline expertise to host the Research project;
  - b. it has access to the necessary resources, including required infrastructure for the Research program, consumables for lab-work or clinical tests, technical expertise and staffing for the duration of the HDR program;
  - c. it has the capacity to provide adequate supervision for the duration of the HDR program; and

#### **4.1.2 Application process**

An application is to be made on the prescribed form and submitted in accordance with instructions on the University website.

To initiate the Admissions process, it is the Applicant's responsibility to contact relevant University Research supervisors and complete the prescribed form. Potential Research supervisors can be identified from the Expert Finder or lists of the available Research Thesis Topics on the University website.

Prior to submitting an application for Admission to an HDR program, Applicants must secure written confirmation from a University academic staff member who is registered as a principal supervisor that the staff member is able to supervise their Research.

Full applications must be signed off by the Head of School and/or Centre Director of the host School or Research Centre before they can be submitted to the Graduate Research School (GRS) for assessment. An Applicant's host School or Research Centre will be the school or centre to which the nominated principal supervisor is substantively aligned.

This written confirmation from the supervisor, along with the signature of the Head of School or Centre, must be submitted with the application for Admission.

The Dean (Graduate Research School) considers the application and the host School or Research Centre's recommendation and approves or rejects Admission of the Applicant. Applicants are advised in writing of the outcome of their application.

Following notification of an offer of Admission, successful Applicants will be advised of any other requirements in order to finalise acceptance of the offer into the HDR program.

To accept an offer, an Applicant must comply with any and all specified instructions and deadlines, as outlined in their letter of offer.

In the case of Applicants from a country listed under the sanctions requirements, a sanctions form must be completed by the proposed supervisor and attached to the Student application form. Applicants should refer to the Department of Foreign Affairs and Trade Consolidated list to determine if there are any sanctions imposed on the proposed parties.

#### **4.1.3 English language proficiency**

Domestic and International Applicants are required to satisfy English language requirements as specified in the English Language Proficiency Requirements Procedure.

Applicants who do not satisfy these requirements may apply to undertake a University-approved

English language program. Upon successful completion of the English language program, Applicants may apply and be admitted to their requested University Program where all other Admission requirements are satisfied.

In cases where an Applicant applies to transfer HDR Enrolment but does not meet University Admissions requirements, the Dean (Graduate Research School) may provide a written justification substantiating the capacity of the Applicant to undertake Research which will be assessed by the Dean (Graduate Research School).

#### **4.1.7 Credit Transfer**

Prior Research undertaken at the University or another recognized institution may be credited towards the HDR program provided that it has not been recognised for another Award and has been completed at the same Australian Qualification Framework level. Although prior Research may be recognised towards the Research component of the HDR program, candidates will be expected to complete any Coursework requirements relevant to the degree, as specified in the program requirements, unless Credit is granted. Refer to the Credit and Exemption Procedure for more details.

##### **4.1.7.1 Domestic Students**

Periods of study towards the Research degree within three years prior to commencement in the HDR program will be deducted from both the period of the Research Training Program (RTP) Domestic Fee Offset support and the minimum and maximum Thesis submission dates.

#### **4.1.7.2 International Students**

Recognition of prior Research is approved at the discretion of the Dean (Graduate Research School). Recognition may result in a reduction in the minimum and maximum Thesis submission dates.

#### **4.1.8 Deferment**

Applicants are eligible to apply for Deferment of the commencement date of the program to which they are admitted. Applications to defer commencement are approved by the Dean (Graduate Research School).

The standard program duration is not inclusive of the period of Deferment.

applicable at the time of readmission and may be required to resubmit a research proposal and seek confirmation of appropriate supervision.

Where the original program has been discontinued, Students will be required to apply for Admission to a relevant alternative program.

#### **4.1.12 Incarcerated Applicants**

Incarcerated Applicants seeking Admission into an HDR program will be required to sign an Incarcerated Student Consent Form which allows the University to apply an indicator to their record so that additional support can be provided. Additionally, the Incarcerated Student Consent Form facilitates the automatic acknowledgement of an Authorised Representative from the Correctional Centre in accordance with the Student Authority to Act Procedure. Incarcerated Students may also nominate an alternative Representative to act on their behalf in accordance with the Student Authority to Act Procedure.

#### **4.1.13 Grievances**

Where an Applicant is unsuccessful for Admission to a University program, they may submit a request to have the Decision reviewed, in accordance with the Student Grievance Resolution Procedure.

### **4.2 Enrolment**

Except during periods of approved Leave of Absence, an HDR Student must be enrolled in the relevant Courses for the whole Academic Year, until the date when the Thesis has been submitted for examination. After that time and until examination is completed, the Student's Enrolment status will be 'Under examination'. Failure to enrol by an HDR Student may lead to them being cancelled from the program as per the Higher Degree by Research Student Progress Procedure.

Master by Research students are responsible for enrolling themselves into the correct courses.

DPHD students will be automatically enrolled each year into either a full-time or part-time enrolment pattern. Requests for changes to the enrolment load must be provided in writing to the GRS. Changes to enrolment for DPHD students will be managed by the GRS.

#### **4.2.1 Student Responsibilities**

Students are responsible for the following:

- planning their pattern of study to meet all Course and program requirements;
- ensuring their Enrolment details, including all contact Information, are correct;

- correctly enrolling themselves in Courses, if a Master by Research student, in accordance with the recommended Enrolment pattern for their program;
- contacting the GRS to modify their Enrolment when their circumstances make it unlikely that they can successfully complete a Course;
- ensuring that their Enrolment, including load requirements, comply with Australian Student Visa requirements, if applicable;
- being aware of their fee liability (if any), and to pay their fees in full by the relevant published payment due date. Failure to do so will result in restrictions and cancellations, in accordance with the Student Debt Management Procedure; and

#### **4.2.2 Contact by the University**

All Student communication in relation to Enrolment will occur by Notice to the Student's University-issued email account.

#### **4.2.3 Adding and dropping Courses**

Students should refer to the Enrolment Procedure for Information on how to add and drop Courses. HDR Students should note that those who drop Courses after the Census Date will incur financial penalty, unless Special Circumstances apply, and may incur academic penalty. For HDR Students in a RTP place, this will consume part of their RTP allocation. Therefore, to drop Courses after the Census Date:

- without academic penalty and with tuition fee reversal, refer to the Refund of Student Fees Policy and Procedure;
- without academic penalty only, providing the drop occurs prior to the date specified in the Important Dates, refer to the conditions set out in the Enrolment Procedure.

#### **4.2.4 Change of personal details**

Students and Graduates who wish to correct or change personal details recorded on the University's Student system may request to do so by completing a Change of Name and Personal Details Form. Please refer the Enrolment procedure for further details.

#### **4.2.5 Leave of Absence**

HDR Students may apply for a Leave of Absence from their studies for a minimum of 4 weeks, and up to a maximum of 12 months. Leave of Absence may be taken as blocks of leave within

the duration of the Academic Program accumulating to a total of no more than 12 months. Requests for Leave of Absence will be considered for approval by the Dean (Graduate Research School). A Leave of Absence taken after Census Date will consume a non-refundable RTP Credit. Such Leave will not be counted as part of the prescribed period of candidature.

A Student who has never enrolled in a Course, is not enrolled in the current Teaching Period, and is not enrolled in a future Teaching Period, and does not have an approved Leave of Absence or Deferment, will have their Admission in the program cancelled after Census Date. Where Admission has been cancelled and the Student wishes to recommence studies at the University, they must apply for re-admission as per 4.1.11 of this procedure.

In accordance with Australian Government regulations, International Students studying in Australia under an Australian Student Visa are permitted to defer or temporarily suspend their studies, including taking Leave of Absence, for a period of up to 12 months in any one period of leave on the grounds of Special Circumstances. Once the Leave of Absence has been approved, the University will notify the relevant government body that the Student's Enrolment is deferred or suspended.

#### **4.2.6 Other Leave**

HDR Scholarship Students should refer to the Higher Degree by Research Student Scholarship Procedure for Information on other types of leave available to them.

#### **4.2.7 Variation to Period of Candidature**

In exceptional circumstances, the Dean (Graduate Research School) may approve an extension to the maximum period of candidature of up to six (6) months full-time equivalent (FTE). The candidate will be required to continue their Enrolment in the program and pay the required fees, where applicable. Where a candidate does not submit within the maximum period of candidature or an application to extend the maximum period of candidature is not approved, the candidature will be discontinued.

On the recommendation of the supervisor, the Dean (Graduate Research School) may approve a request to submit a Thesis prior to the minimum submission date. Such candidates are required to complete the specified number of Credit points for both the Coursework and Research components prior to submission of the Research component, as specified in the program requirements.

#### **4.2.8 Changes to HDR program**

Students who wish to change their mode of Enrolment (Full-Time Study to Part-Time Study or vice versa) are required to discuss this change with their supervisory team and advise the GRS in writing via their University-issued email account.

Students who wish to make a major change to their Thesis topic must have the support of their principal supervisor and request their Thesis topic change in writing to the GRS. This will then be reviewed by the Dean (Graduate Research School).

Students who wish to extend their candidature time must apply for an extension request online, for consideration by the Dean (Graduate Research School). The application must have the support of the principal HDR Supervisor.

#### 4.2.9 Review of Progress

All Students are required to meet the Academic Progress milestones as outlined in the Higher Degree by Research Progress Procedure.

#### 4.2.10 Student-initiated withdrawal of candidature
