

Expense Reimbursement Procedure

1 Purpose

To outline the procedure for the reimbursement of University Expenditure incurred by University Members and Students.

2 Scope

This procedure applies to all University Members and Students requesting Expense Reimbursement.

This procedure excludes the reimbursement of private expenses for:

- relocation expenses by a new Employee - refer to the Recruitment, Selection and Appointment Procedure; and
- motor vehicle usage claims for a private vehicle used for University Business travel - refer to the Travel Procedure.

3 Procedure Overview

Where University Members or Students have paid for University expenses using their own personal funds, reimbursement may be available.

4 Procedures

4.1 Expense reimbursement

University Members and Students should avoid using personal funds to purchase goods and services on behalf of the University. Where possible, all University goods and services should be purchased in accordance with the Procurement Procedure and the Travel Procedure.

The University recognises there may be instances where it is not practical for University Members or Students to purchase in accordance with the relevant Procedures. These include:

- Employees who are not Corporate Cardholders;
- research Students who require consumables for projects conducted off campus; and

- visiting academics who incur costs while undertaking University Business.

Where expenses have been incurred on University Business using personal funds, reimbursement may be available if approved by a Financial Delegate for the department incurring the cost of the reimbursement.

4.2 Reimbursement requests

4.2.1 Required documentation

University Members and Students requesting reimbursement will require:

- a Tax Invoice for the goods or services purchased;
- where a Tax Invoice is not available, other supporting documentation such as a cash register docket, receipt, or invoice, that provides sufficient information as to the nature and value of the Expenditure; and
- where the Expenditure relates to entertainment, a completed Entertainment FBT Expense Assessment form.

4.2.2 Reimbursement process

Reimbursement requests are to be submitted as follows:

For reimbursement of travel related expenses, contact the USQ Travel Team at Travel@unisq.edu.au for details.

For all other reimbursements:

University Employees - submit all documentation through the University's expense management system.

University Students - submit all documentation and nominated bank account details via a request through the student portal.

Other University Members - contact the Payables Team at Payables@unisq.edu.au for details.

All requests for reimbursements require review and approval by a Financial Delegate who has the responsibility of confirming the Expenditure is for University Business and is adequately supported by documentation.
