

# Support for Students Policy

## 1 Purpose

To provide information about the support available to students and to outline how the University communicates with Students about how to access the available support.

## 2 Scope

This Policy applies to all Students, including Award Program and Non-Award Program Students and Higher Degree by Research (HDR) Students enrolled in Coursework Courses.

## 3 Policy Statement

The University is committed to ensuring that all Students are provided with information about and access to the support services and resources that are available to assist them successfully complete their studies.

Further information about the services, supports and resources available to all Students to support their success can be found on the University's website.

This Policy will be reviewed annually, including the resources associated with providing the identified services, to ensure that Students are adequately supported.

This Policy is a requirement of the *Higher Education Support Act (2003)* and should be read in conjunction with the Policy Instruments listed in Section 7.

This Policy aligns with *Higher Education Standards Framework (Threshold Standards) 2021*: Standard 1.3 Orientation and Progression; Standard 2.2 Diversity and Equity; Standard 3.3 Learning Resources and Educational Support.

This Policy aligns with the:

- *Higher Education Standards Framework (Threshold Standards) 2021*: Standard 1.3 Orientation and Progression, Standard 2.2 Diversity and Equity, Standard 3.3 Learning Resources and Educational Support
- *National Code of Practice for Providers of Education and Training to Overseas Students (2018)*: Standard 6: Overseas Student Support Services

## 4 Principles

The University is committed to:

- supporting diversity, inclusion and accessibility and creating equitable opportunities for Student success
- ensuring all Students have access to appropriate academic and non-academic support
- making reasonable adjustments to accommodate Student and cohort circumstances
- communicating proactively with Students who are not making satisfactory Academic Progress to ensure they are aware of support services available to assist them address factors impacting their progress
- recommending access to appropriate services for students identified as needing additional support to pass their courses
- in combination with other indicators, utilising the results of regular monitoring and review of the nature and scope of support services provided by the University to ensure they remain appropriate to the diverse needs of Student cohorts.

### 4.1 Promoting awareness

UniSQ will undertake the following actions to identify and proactively outreach to Students who may benefit from additional support to successfully complete their studies:

- Monitor learner engagement:
  - by supporting commencing Students to self-identify their readiness to begin study and providing tailored support plans based on individual circumstances
  - through participation data from the learning management system
  - for late-enrolling or late-commencing Students to ensure their Transition is supported
  - for Students who have suspected Academic Integrity breaches to ensure they understand the expectations of academic work as well as processes, procedures and avenues of Appeal related to allegations of Academic Misconduct
  - for Students who are active but not enrolled
  - via staff referral pathways.

- Monitor Student progression following each release of results by contacting Students who meet an Academic Progress Stage as per the [Student Academic Progress Procedure](#).
